## FULL FRUITS OF THE LAND

Red

Few other regions can offer so much taste and elegance

On the north bank of the Loire many of the wines of St Nicolas de Bourgueil benefit from the Ice Age gravels, giving added aromatic appeal.

Domaine de la Cotelleriaie 2011, St Nicolas de Bourgueil (£12.99, Morrisons) was matured in oak barrels, adding an extra layer of complexity to this wine made from organically grown grapes.

Try it with a tagine: the red fruit complements the sweet spicing and apricots of the Moroccan dish.
